HERRINGTON & CARMICHAEL SOLICITORS

Be a Brick!

Carwarden House Community School Appeal

Herrington & Carmichael have for many years supported the well-known local charity, Children with Special Needs Foundation (CwSNF).

The Partners and Staff at Herrington & Carmichael have decided to join with CwSNF to focus their efforts on a single long term project to raise £25,000 to convert a disused garage into a vocational classroom at Carwarden Community School.

From Disused Garage to Classroom

Once converted into a classroom, children at the school and others in their area will be able to undertake vocational training in a range of subjects including hairdressing, health and beauty. See the website at www.carwardenhouse.com for more information on the school.

Be a Brick!

The 'Be a Brick' Campaign allows sponsors to 'buy' a brick for a minimum of £100 which includes their company name. The brick will be part of a new permanent wall in front of the classroom, as a lasting testament to those who helped the school achieve its goal.

If you would like to 'Be a Brick' and help the school to build a better future for our children, then simply complete the form below and return it to: 'Be a Brick', FREEPOST, Herrington & Carmichael, Riverside Way, Camberley, Surrey GU15 3YL, together with a cheque made payable to Carwarden House.

Carwarden House Community School Appeal

I would like to 'Be a Brick' and enclose a cheque for £ ..... (min. £100 per brick)

Name: ..... Company .....

Address: .....

..... Postcode .....

Tel : .....Email .....
