

“ Plain speaking legal advice ”™

Is it time you gave your employment practices a spring clean?

**Come join us at Surrey Heath
Expo 2008 on Tuesday 17 June
to find out how...**

**Our Employment lawyers will be exhibiting and speaking at
Surrey Heath Expo 2008, on Tuesday 17 June, 10:00 – 4:00pm
at the Camberley Theatre, Knoll Road, Camberley.**

We appreciate how, as an employer, it's become increasingly difficult to keep up to date with the constant changes to employment law. There seems to be a permanent round of new legislation, case law and rules to grapple with. At Surrey Expo we will be providing a lunchtime seminar that highlights for employers the key best practice points for avoiding employment disputes. You can't remove entirely problems arising in the workplace but often we see common mistakes being made by employers simply because they are unaware of new rules and regulations and have failed to implement these into their every day practices. Some simple guidance can prevent many of these costly mistakes occurring.

Our seminar is free and takes place at 12:30pm in the theatre. If you arrive early or are unable to make our seminar then please do visit our exhibition stand - which is the very first stand as you enter the theatre. Our lawyers will be available on our stand from 10:00-4:00pm to answer your queries and you will be able to find out about our new service for employers, the Employment Health Check.
