

HR Advice Forum - Mock Employment Tribunal

Event details

With Employment Tribunal hearings at record levels this event provides an ideal opportunity to see how a tribunal works.

The event will follow the case of Miss Jones who has brought a claim against her former employers Event R Us for disability discrimination and unfair dismissal.

Over breakfast delegates will have the chance to be part of the tribunal hearing that Miss Jones brought against her employer. You will see how a tribunal is conducted and be able to see the issues from both sides as they put their cases forward.

After hearing all of the evidence about the case delegates will get the chance to cast their verdict. The case will be followed by a question and answer session.

This is a must-attend event for anyone that wants to find out more about the tribunal process or those who would like to add to the knowledge they already have on the subject.
