

## **MARTIN SALT JOINS DISPUTE RESOLUTION TEAM AT HERRINGTON AND CARMICHAEL LLP**

Camberley, 10th June 2010 – Herrington and Carmichael LLP is delighted to announce the appointment of Martin Salt to the Dispute Resolution department.

Martin, a lawyer with nine years' experience of dispute resolution and insurance litigation, will work with Frankie Tierney, Head of Dispute Resolution and Chief Executive of Herrington & Carmichael.

Martin has an impressive track record in the dispute resolution field and has been responsible for the successful management and resolution of complex multiparty disputes. In addition to his commercial dispute expertise, Martin will also be assisting the department with inheritance disputes.

Martin is also experienced in the areas of mediation and adjudication.

Martin qualified with Vizards Staples & Bannisters in 2001 before moving to CMS Cameron McKenna as an assistant solicitor and most recently Clarkslegal LLP as a senior construction disputes solicitor.

Martin also holds a marketing qualification, and an additional part of his remit will be to develop new business for the department. Already the firm is experiencing an increase in dispute work given the recession and the pressure this has placed on businesses.

Speaking about Martin's appointment Frankie Tierney said:

“During the past 18 months we have had an increasing demand for our dispute resolution services. It's always been our policy to meet any demand by making the right investment in our services, so that our clients receive the advice they need to be able to make the right decisions.

With a combination of both legal and marketing expertise Martin is a truly competent lawyer. His appointment will benefit both the firm and our clients and we are delighted to have him on the team.”

Martin said:

“I am looking forward to working with Frankie and helping the department to grow and provide an exemplary service for our clients.”
