

THE FLEET FESTIVITIES 2009

On Wednesday 25th November, staff from Herrington & Carmichael LLP hosted a stall at the annual 'Fleet Festivities' event in Fleet town centre to raise money for the Carwarden School project. Staff braved the cold and donned Santa hats to raise £75 on their sweet tombola stall, which proved very popular with the children. Hundreds of 'Judge bugs' and balloons were also given away on the night. The money raised will be given to Carwarden Community School near Camberley, which is a school for children with special educational needs. Herrington & Carmichael is supporting Carwarden School with a number of fundraising events. For further information visit www.carwardenhouse.com.
